INFORMATION CIRCULAR

(all information as at May 3, 2018, unless otherwise stated)

The Company is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the Annual General and Special Meeting (the "**Meeting**") of the Company to be held on Tuesday, June 5, 2018, and at any adjournments. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., 3rd floor, 510 Burrard Street, Vancouver, British Columbia V6C 3B9, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely an unregistered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation now permits the Company to forward meeting materials directly to "non objecting beneficial owners". If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

REVOCABILITY OF PROXY

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office

of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least five days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of common shares without par value. As at the date hereof, there are issued and outstanding 137,213,815 fully paid and non-assessable common shares without par value, each share carrying the right to one vote. The Company has no other classes of voting securities.

Persons who are registered shareholders at the close of business on April 30, 2018, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held.

To the knowledge of the directors and senior officers of the Company, only the following persons beneficially own, directly or indirectly, or exercise control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company that have the right to vote in all circumstances:

<i>Name</i>	<i>Number of Shares ⁽¹⁾</i>	<i>Percentage of Outstanding Shares</i>
Anatoly Langer	38,822,214 ⁽²⁾	28.29%

(1) Based on information provided by such persons to the Company or disclosed in their insider filings provided at www.sedi.ca.

(2) This number of shares includes: 7,302,910 shares held personally and 31,519,304 shares held by MD Primer Inc.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's policy regarding compensation of the executive officers of the Company is to provide reasonable salary levels and compensation incentives that support the short-term, mid-term and long-term goals of the Company and attract and retain suitable and qualified executive management.

At present, a compensation committee of the board of directors considers and reviews compensation matters pertaining to the Company and makes recommendations to the board. Interested directors abstain from voting in respect of compensation matters in which that they have an interest. The compensation committee is currently comprised of Mr. Robert Caines (Chair), Mr. Simi Grosman and Mr. Etienne Grima. Each of Mr. Grosman and Mr. Caines is currently an independent director.

In general, executive compensation has consisted of three components: salary, bonus and option grants. Salaries are determined by taking into account each executive's experience level and qualifications and the scope and complexity of the position held. Bonus is paid based on performance and as defined in the terms of the executive's employment agreement. In 2017, in lieu of issuing stock options, the Company paid cash

amounts for being on the board and committees of the board and for attending meetings of the board and committees. The Company anticipates making cash payments in the same manner for 2018.

As described elsewhere in this Information Circular, at the Meeting the shareholders of the Company will be asked to approve an ordinary resolution ratifying the Stock Option Plan of the Company, which is a 10% “rolling” stock option plan. Under the Stock Option Plan, 13,721,381 common shares will be available for issuance, representing 10% of the Company’s common shares currently outstanding.

When options are issued, the number of options to be granted to the Company’s executive officers (as well as other directors, employees and consultants of the Company) is determined by considering the number of options available in the Company’s option pool, the position, qualifications and contributions to the Company’s success of each option recipient and previous grants (if any) of share-based awards.

In 2017, neither the board nor the compensation committee formally considered the implications of the risks, if any, associated with the Company’s compensation policies and practices. The board and the compensation committee intend to do so in 2018.

The Company’s Insider Trading Policy prohibits directors or officers of the Company from purchasing, selling or otherwise trading, directly or indirectly, “put” or “call” options in respect of the securities of the Company.

Summary Compensation Table

The following table sets forth all annual and long term compensation for services in all capacities to the Company for the three most recently completed financial years in respect of each of the Chief Executive Officer and the Chief Financial Officer as at December 31, 2017, and any other executive officers of the Company as at December 31, 2017, whose individual total salary and bonus for the most recently completed financial year exceeded \$150,000 and any individual who would have satisfied these criteria but for the fact that individual was not serving as such an officer at the end of the most recently completed financial year (collectively the “Named Executive Officers” or “NEOs”).

Incentive Plan Awards

Description of Stock Option Plan

The following is a summary of important provisions of the Stock Option Plan. It is not a comprehensive discussion of all of the terms and conditions of the Stock Option Plan. Readers are advised to review the full text of the Stock Option Plan to fully understand all terms and conditions of the Stock Option Plan. A copy of the Stock Option Plan can be obtained by contacting the Company and is also available under the Company's profile on SEDAR at www.sedar.com.

The Stock Option Plan provides eligible directors, officers, employees and consultants with the opportunity to acquire an ownership interest in the Company. The key features of the Stock Option Plan are as follows:

- The maximum number of common shares issuable under the Stock Option Plan shall not exceed 10% of the number of common shares of the Company issued and outstanding as of each award date, inclusive of all common shares reserved for issuance pursuant to previously granted stock options.
- The options have a maximum term of ten years from date of issue, and a maximum term of five years from the date of issue for so long as the Company is a Tier 2 issuer on the TSX Venture Exchange.
- Options vest as the board of the Company may determine upon the award of the options.
- The exercise price of options granted under the Stock Option Plan will be determined by the board, but will not be less than the closing market price of the Company's common shares on the TSX Venture Exchange, less any allowable amount.
- The total number of options awarded to any one option holder in any twelve month period shall not exceed 5% of the issued and outstanding common shares of the Company at the award date.
- The total number of options awarded to any one consultant in any twelve month period shall not exceed 2% of the issued and outstanding common shares of the Company at the award date.
- The total number of options awarded to all employees and consultants who perform investor relations activities for the Company shall not exceed 2% of the issued and outstanding common shares of the Company in any twelve month period, calculated at the award date.

Pursuant to the policies of the TSX Venture Exchange, the Company is required to obtain shareholder approval of the Stock Option Plan each year because the number of common shares issuable under the Stock Option Plan is a rolling number equal to 10% of the number of common shares of the Company issued and outstanding from time to time. In addition, the Company must obtain disinterested shareholder approval for any amendment that could result in: (a) a reduction of the exercise price of an outstanding option to an insider of the Company; (b) the number of shares reserved for issuance to insiders exceeding 10% of the Company's outstanding shares; or (c) the grant to insiders, within a twelve month period, of a number of options exceeding 10% of the Company's outstanding shares.

The Stock Option Plan may be terminated at any time by resolution of the board, but any such termination will not affect or prejudice rights of participants holding options at that time.

Termination and Change of Control Benefits

Except as disclosed below, there are no estimated incremental payments, payables and benefits that will be due from the Company to any Named Executive Officer that are triggered by, or result from any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in such Named Executive Officer's responsibilities.

Etienne Grima is party to an employment agreement dated as of January 1, 2017, which amended and restated his previous employment agreement with a different level of annual remuneration. The agreement provides, among other things, that if during the term of the agreement (a) the Company terminates Mr. Grima's employment for other than "Just Cause" or death or permanent incapacity, or (b) Mr. Grima terminates his employment under the agreement with "Good Reason", Mr. Grima shall be entitled to receive: (i) any accrued salary to the date of termination, (ii) any accrued bonus to the date of termination, (iii) any earned vacation pay, to the extent not already paid, (iv) any amounts owed to Mr. Grima for reimbursement of expenses or other deferred amounts owing, (v) an amount equal to an additional one year of Mr. Grima's base salary, and (vi) one full year of medical and healthcare benefits, or payment in lieu of such benefits, that Mr. Grima was receiving prior to termination.

Under the agreement, "Just Cause" means that the Company, acting in good faith based upon the information then known to the Company, determines that Mr. Grima has (i) engaged in or committed willful misconduct; (ii) committed illegal acts such as theft or fraud; (iii) refused or demonstrated an unwillingness to substantially perform his duties for a thirty (30) day period after written demand for substantial performance and is delivered by the Company that specifically identifies the manner in which the Company believes Mr. Grima has not substantially performed his duties; (iv) refused or demonstrated an unwillingness to reasonably cooperate in good faith with any Company or government investigation or provide testimony therein (other than such failure resulting from Mr. Grima's disability); (v) willfully engaged in or committed any willful act that is likely to and which does in fact have the effect of injuring the reputation or business of the Company; (vi) willfully violated his fiduciary duty or his duty of loyalty to the Company or the Company's Code of Ethical Business Conduct in any material respect; (vii) engaged in or committed a material breach of the agreement for a thirty (30) day period after written notification is delivered by the Company that identifies the manner in which the Company believes Mr. Grima has materially breached the agreement and has outlined how Mr. Grima is to correct his breach. For purposes of this paragraph, no act, or failure to act, on Mr. Grima's part shall be considered willful unless done or omitted to be done, by him not in good faith or without reasonable belief that his action or omission was in the best interests of the Company. Notwithstanding anything herein to the contrary, for purposes of any termination of employment that occurs within the period that (i) begins with the first to occur of (1) the initial public announcement of a Change of Control (as defined below), or (2) the ninetieth (90th) day preceding a Change of Control and (ii) ends two (2) years following such Change of Control, "Just Cause" shall instead mean only the occurrence of either or both of the following: (A) Mr. Grima's conviction for committing an act of fraud, embezzlement, theft, or other act constituting a felony (other than traffic related offenses or as a result of vicarious liability); or (B) the willful engaging by Mr. Grima in misconduct that is significantly injurious to the Company. Notwithstanding the foregoing, Mr. Grima shall not be deemed to have been terminated for Just Cause without delivery to Mr. Grima of a notice of termination signed by the Company's Chairman of the board stating that the board of directors of the Company has determined that Mr. Grima has engaged in or committed conduct of the nature described in this paragraph, and specifying the particulars thereof in detail.

Under the agreement, the term "Good Reason" means:

- a) Mr. Grima's base salary is reduced, or Mr. Grima is instructed by the Company's board that his salary is to be reduced, except for a general one-time "across-the board" salary

reduction not exceeding ten percent (10%) which is imposed simultaneously on all or substantially all employees of the Company; or

- b) a material reduction in the nature, status or scope of Mr. Grima's authorities, duties, and/or responsibilities, (when such authorities, duties, and/or responsibilities are viewed in the aggregate) from their level in effect on the day immediately prior to a Change of Control (provided, however, that neither of (1) a change in Mr. Grima's reporting relationships, nor (2) an adjustment in the nature of the Mr. Grima's duties and responsibilities that in either case does not remove from him his scope of authority with respect to the Company's functional area, employees or products and services that Mr. Grima had immediately prior to such change or adjustment shall constitute "Good Reason");
- c) the Company requires Mr. Grima to be based at an office location which will result in an increase of more than thirty (30) kilometers in Mr. Grima's one-way commute; or
- d) if the Company's board of directors does not permit Mr. Grima to continue to serve as the Chief Executive Officer with the responsibilities as described in Schedule A of the agreement or another mutually acceptable senior position; or
- e) there shall occur a "Change of Control" of the Company and, at any time concurrent with or during the six (6) month period following such Change of Control, Mr. Grima shall have sent to the Chairman of the Company's board of directors a written notice terminating his employment on a date specified in said notice. For purposes of the agreement, the term "Change of Control" shall mean the occurrence of one of the following:
 - i) when any person is, becomes or enters a contract to become, the beneficial owner, directly or indirectly, of securities representing twenty percent (20%) or more of the common shares of the Company;
 - ii) all or substantially all of the business or assets of the Company are disposed of, or a contract is entered to dispose of, all of the business of the Company pursuant to a merger, consolidation other transaction in which (1) the Company is not the surviving parent Company or (2) the stockholders of the Company prior to the transaction do not continue to own at least fifty percent (50%) of the surviving parent company in substantially the same proportions as their ownership immediately prior to such transaction; or
 - iii) the Company is materially or completely liquidated; or
 - iv) any person (other than the Company) purchases any common shares of the Company in a tender or exchange offer with the intent, expressed or implied, of purchasing or otherwise acquiring control of the Company;

provided, however, that "Good Reason" under the above clauses (a), (b) and (c) shall cease to exist for an event on the sixtieth (60th) day following the earlier of the Company's written notice of the change to Mr. Grima or Mr. Grima's becoming aware thereof, unless Mr. Grima has given the Company written notice of his/her objection thereto prior to such date.

See “Incentive Plan Awards – Description of Stock Option Plan”, above, for a discussion of the treatment of options held by option holders upon various termination events or change in control circumstances, assuming the Stock Option Plan is re-approved by the Company’s shareholders at the Meeting.

The Company’s board, which is responsible for supervising the management of the business and affairs of the Company, is currently comprised of Etienne Grima, David Newman, Simi Grosman, Robert Caines, Margaret Helms, John Foote and Steve Benyo. Each of the current directors of the Company, except for Etienne Grima, who is an officer of the Company, is “independent” as defined in NI 58-101. Each of the current directors will be seeking re-election.

The mandate of the board is to supervise the management of the Company and to act in the best interests of the Company. Board members are also given access to management and other employees for informational purposes.

Ethical Business Conduct

Directors, officers and employees are required as a function of their position within the Company to structure their activities and interests to avoid conflicts and potential conflicts of interest and refrain from making personal profits from their positions. When conflicts or potential conflicts arise, directors are required to disclose this fact to the board. Nomination of Directors

The board as a whole is responsible for reviewing the composition of the board on a periodic basis. Compensation

Compensation for members of the board, the Company's Chief Executive Officer and the other executive officers of the Company is determined on recommendations made by the compensation committee of the board to the full board of directors. Board members to receive compensation abstain from voting on the approval of such compensation.

APPOINTMENT OF AUDITOR

Shareholders are being asked to approve an ordinary resolution reappointing Buckley Dodds Parker LLP as auditor of the Company to hold office until the close of the next annual general meeting of the shareholders, at a remuneration to be fixed by the board of directors. In order to be effective, the ordinary resolution requires the approval of the majority of the votes cast at the Meeting in respect of the resolution. **In the absence of instructions to the contrary, the enclosed proxy will be voted FOR the re-appointment of Buckley Dodds Parker LLP as auditors of the Company and to authorize the board of directors to fix their remuneration.**

RE-APPROVAL OF STOCK OPTION PLAN

Under the policies of the TSX Venture Exchange, the Company’s Stock Option Plan must be re-approved by the Company’s shareholders at each annual general meeting of the Company to remain effective. Accordingly, at the Meeting, shareholders will be asked to approve the following ordinary resolution:

“RESOLVED THAT:

1. the Company’s Stock Option Plan, pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares at the time of the grant, be approved, confirmed and ratified; and
2. any director or officer of the Company is hereby authorized and directed, acting for, in the name of and on behalf of the Company, to execute or cause to be executed, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such other acts and things, as may in the opinion of such director or officer be necessary or desirable to carry out the foregoing resolution.”

In the absence of instructions to the contrary, the enclosed proxy will be voted FOR the re-approval of the Company's Stock Option Plan.

REMOVAL OF PRE-EXISTING COMPANY PROVISIONS

In 2004, the Company's governing statute, the *Company Act* (British Columbia) (the "**Company Act**") was replaced with the *Business Corporations Act* (British Columbia) (the "**BCBCA**"). Under the BCBCA, a company remained subject to "Pre-existing Company Provisions" (as defined in the BCBCA) contained in its corporate documents until the shareholders approve the removal of the Pre-existing Company Provisions by special resolution and a Notice of Alteration to the Notice of Articles has been filed with the Registrar of Companies to remove the Pre-existing Company Provisions. The Pre-existing Company Provisions continue to apply to the Company. Given the Company's status as a public company, only two Pre-existing Company Provisions continue to apply:

1. Under the Pre-existing Company Provisions, if a company offers to purchase any of its own shares, it must extend the offer on a proportionate basis to all shareholders holding shares of the class or series of shares subject to the offer, subject to certain exceptions. The BCBCA does not contain a similar provision. While the exceptions to this proportionate purchase requirement would, in the vast majority of cases, allow the Company to purchase its shares without having to extend the offer to purchase to all shareholders holding those shares, the board of directors of the Company believes that this restriction may unduly limit flexibility in future transactions where the ability to repurchase some, but not all of its shares from shareholders may be necessary or desirable. Accordingly, if shareholders approve the removal of the application of the Pre-existing Company Provisions, this requirement will no longer apply to the Company. Any such repurchases remain subject to compliance with applicable securities legislation and stock exchange rules and policies.
2. The Pre-existing Company Provisions provide that no less than three-quarters of the votes cast at a general meeting must vote in favour of a proposed special resolution in order for that special resolution to be passed. Under the BCBCA, with shareholder approval, the Company may reduce the level of the majority required to pass some or all special resolutions to two-thirds of the votes cast at a general meeting. The board of directors believes that the reduced threshold for special resolutions will provide the Company with greater flexibility for future corporate activities and is consistent with companies incorporated in British Columbia and other jurisdictions. Accordingly, subject to shareholder approval to the special resolutions below, the Company's Articles will reflect the lower threshold for special resolutions.

In order to remove the application of the Pre-existing Company Provisions, the shareholders of the Company will be asked at the Meeting to pass the following special resolution:

"RESOLVED THAT:

1. the Notice of Articles of the Company be altered to remove the application of the Pre-existing Company Provisions (as defined in the *Business Corporations Act* of British Columbia) and that the Pre-existing Company Provisions be and are hereby removed and no longer apply to the Company; and
2. any one director or officer of the Company be and is hereby authorized to execute and deliver all such documents and instruments, including the Notice of Alteration reflecting

the removal of the Pre-existing Company Provisions, and to do such further acts, as may be necessary to give full effect to this special resolution.”

In the absence of instructions to the contrary, the enclosed proxy will be voted FOR the removal of the Pre-existing Company Provisions.

The foregoing special resolution will not be effective, and the Pre-existing Company Provisions will continue to apply to the Company, until a Notice of Alteration to the Notice of Articles to remove the Pre-existing Company Provisions has been filed with the Registrar of Companies.

APPROVAL OF ADVANCE NOTICE POLICY

On April 26, 2018, the board adopted an advance notice policy with immediate effect (the “**Advance Notice Policy**”). In order for the Advance Notice Policy to remain in effect following termination of the Meeting, the Advance Notice Policy must be approved by an ordinary resolution of shareholders. At the Meeting, shareholders will be asked to consider, and if thought fit, approve an ordinary resolution to adopt the Advance Notice Policy, the full text of which is reproduced at Appendix III to this Information Circular. If the Advance Notice Policy is approved at the Meeting, the Advance Notice Policy will continue to be effective and in full force and effect in accordance with its terms and conditions beyond the termination of the Meeting.

Purpose of the Advance Notice Policy

The board is committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allowing shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of the Advance Notice Policy is to provide shareholders, directors and management of the Company with a clear framework for the nomination of directors. The Advance Notice Policy fixes a deadline by which holders of record of common shares must submit director nominations to the Company prior to any annual or, if applicable, special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

Terms of the Advance Notice Policy

The following information is intended as a brief description of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy, a copy of which is attached as Appendix III.

Among other things, the Advance Notice Policy fixes a deadline by which holders of record of common shares must submit director nominations to the Chief Executive Officer of the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice to the Chief Executive Officer of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Policy.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of

the date of the annual meeting was made, notice must be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting) called for the purpose of electing directors (whether or not called for other purposes), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The board may, in its sole discretion, waive any or all requirements of the Advance Notice Policy.

Approval of Advance Notice Policy by Shareholders

If the Advance Notice Policy is approved at the Meeting, the Advance Notice Policy will continue to be effective and in full force and effect in accordance with its terms and conditions beyond the termination of the Meeting. Thereafter, the Advance Notice Policy will be subject to review by the Board and will be updated to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

If the Advance Notice Policy is not approved at the Meeting, the Advance Notice Policy will terminate and be of no further force or effect from and after the termination of the Meeting. At the Meeting, the shareholders will be asked to consider and if thought fit, approve the following by ordinary resolution:

“RESOLVED THAT:

1. The Company’s Advance Notice Policy (the “**Advance Notice Policy**”) dated April 26, 2018 be and is hereby ratified, confirmed and approved;
2. The board of directors of the Company be authorized in its absolute discretion to administer the Advance Notice Policy and amend or modify the Advance Notice Policy in accordance with its terms and conditions to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, so as to meet industry standards, or as otherwise determined to be in the best interests of the Company and its shareholders; and
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to the foregoing resolutions.”

In the absence of instructions to the contrary, the enclosed proxy will be voted FOR the approval of the Advance Notice Policy.

CARDIOCOMM SOLUTIONS, INC.

ADVANCE NOTICE POLICY

INTRODUCTION

CardioComm Solutions, Inc. (the “**Company**”) is committed to: (i) facilitating an orderly and efficient process for holding annual general meetings or, where the need arises, special shareholder meetings; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all director nominees; and (iii) allowing shareholders to register an informed vote on director elections, having been afforded reasonable time for appropriate deliberation.

The purpose of this Advance Notice Policy (the “**Policy**”) is to provide shareholders, directors and management of the Company with a clear framework for nomination of directors. This Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or applicable special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

It is the position of the Board of Directors (the “**Board**”) of the Company that this Policy is in the best interests of the Company, its shareholders and other stakeholders. This Policy will be subject to an annual review and will reflect changes as required by securities regulatory authorities or applicable stock exchanges, or so as to meet industry standards.

NOMINATIONS OF DIRECTORS

1. Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company at a meeting of shareholders of the Company. Nominations of persons for election to the Board may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors. Nominations may be made only:
 - (a) by or at the direction of the Board, including pursuant to a notice of meeting;
 - (b) by or at the direction or request of one or more shareholders pursuant to a valid “proposal” made in accordance with the provisions of the *Business Corporations Act* (British Columbia) (the “**Act**”), or a requisition of the shareholders made in accordance with the provisions of the Act; or
 - (c) by any person (a “**Nominating Shareholder**”): (i) who, at the close of business on the Notice Date (as defined below) and at the close of business on the record date for notice of such meeting, is entered in the securities register of the Company as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and (ii) who complies with the notice procedures set forth below in this Policy.
2. In addition to any other requirements under applicable laws, for a nomination pursuant to this Policy to be valid, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with paragraph 3 below) and in proper written form (in accordance with paragraph 4 below) to the Chief Executive Officer of the Company at the registered office of the Company.
3. To be timely, a Nominating Shareholder’s notice to the Chief Executive Officer of the Company

must be made:

- (a) in the case of an annual meeting of shareholders, not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement (as defined below) of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and
 - (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement (as defined below) of the date of the special meeting of shareholders was made.
4. To be in proper written form, a Nominating Shareholder’s notice to the Chief Executive Officer of the Company must set forth:

 - (b) as to the Nominating Shareholder giving the notice, full particulars regarding any proxy, contract, agreement, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Company and any other information relating to such Nominating Shareholder that would be required to be made in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below).

The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable shareholder's understanding of the independence and/or qualifications, or lack thereof, of such proposed nominee.

5. In addition, to be considered timely and in proper written form, a Nominating Shareholder’s notice to the Chief Executive Officer of the Company shall be promptly updated and supplemented, if necessary, so that the information provided or required under this Policy to be provided in such notice shall be true and correct as of the record date for the meeting.
6. No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter that is properly before such meeting pursuant to the provisions of the Act or the discretion of the Chairman of the meeting. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in
