CARDIOCOMM SOLUTIONS CLOSSES EQUITY FINANCING

TORONTO, ONTARIO - CardioComm Solutions, Inc. (TSX VENTURE:EKG) (“CardioComm Solutions” or the “Company”) today announced that it has closed its previously announced equity financing for gross proceeds of \$76,000. The equity financing was conducted to allow parties who were not able to participate in the Company’s December 2016 private placement to invest in the Company. The proceeds from the financing will be used for general operations, regulatory submissions and working capital.

Under the financing, the Company issued 1,520,000 units at a price of \$0.05 per unit. Each unit is comprised of one common share and one common share purchase warrant, with each warrant exercisable for an additional Share at \$0.075 for two years. The securities issued under the financing are subject to a four month hold period.

Etienne Grima, Chief Executive Officer of the Company, has privately sold 1,100,000 shares and has used the revenue from the sales to purchase 1,100,000 units under the financing. The issuance of units to Mr. Grima is considered to be a related party transaction subject to TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*. The Company intends to rely on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(a) of Multilateral Instrument 61-101 on the basis that the value of the units issued to Mr. Grima does not exceed 25% of the fair market value of the Company’s market capitalization.

About CardioComm Solutions

CardioComm Solutions’ patented and proprietary technology is used in products for recording, viewing, analyzing and storing electrocardiograms (ECGs) for diagnosis and management of cardiac patients. Products are sold worldwide through a combination of an external distribution network and a North American-based sales team. The Company has earned the ISO 13485 certification, is HPB approved, HIPAA compliant, and has received FDA market clearance for its software devices. CardioComm Solutions is headquartered in Toronto, Ontario, Canada.
