July 2009

To our valued customers,

As of May 31<sup>st</sup> 2009, Heartmagic™ is considered to be an "End of Life" software product. For our current customers with an active Service and Support Agreement, CardioComm Solutions, Inc. will continue to provide ongoing support for Heartmagic™. No new Heartmagic™ orders will be processed.

For the months of July and August 2009, we are offering all Heartmagic™ or GEMS™ Lite customers, a special conversion discount for the GEMS™ 3 upgrade. GEMS™ 3 is our flagship arrhythmia system.

**Heartmagic™/GEMS™ Lite Conversion to the GEMS™ 3 Arrhythmia system: 20% off**  
**Heartmagic™/GEMS™ Lite Conversion to the GEMS™ 3 Arrhythmia/TTM Pacing system: 40% off**

This limited time offer includes the following:

- Remote installation and setup of the GEMS™ system.
- Remote conversion and testing of the backup Heartmagic™/GEMS™ Lite database and ECGs.
- Remote "Go-Live" conversion and testing of the Heartmagic™/GEMS™ Lite database and ECGs onsite.
- Two (2) hours of personalized service from a CardioComm Solutions, Inc. technical service representative for the remote GEMS™ system set-up, training and customization of the program.

The advantages of the GEMS™ 3 Arrhythmia system include:

- Inventory Tracking
- Customizable final reports via email/fax/print
- AutoAttendant and HL7 modules available
- Single/multi user licensing available
- Appointment scheduling
- Uploadable final reports to an FTP site
- Batch reporting

CardioComm Solutions, Inc. will continue to be an authorized dealer for the King of Hearts event recorders (KOH Express AF) which includes a two (2) year warranty. Please contact us for special pricing.

If you have any questions or you would like to receive a quote on this limited time offer, feel free to call or email me directly.

With best regards,

**Phil Richardson**
