CardioComm Solutions Inc. Recognized as #154 in
2005 Deloitte Technology Fast 500

VICTORIA, B.C., November 9, 2005— CardioComm Solutions Inc. (TSX-V:CCG) (the "Company", "CardioComm"), is pleased to announce that it has placed #154 in the prestigious 2005 Deloitte Technology Fast 500.

The Technology Fast 500 is a ranking of the 500 fastest growing technology companies in Canada and the United States based on percentage revenue growth over five years from 2000 - 2004.

Achieving sustained revenue growth of 1,240% over five years is a tremendous achievement," said Tony Kern, deputy national managing principal of Deloitte's Technology, Media & Telecommunications industry practice. CardioComm Solutions' phenomenal growth puts it in select company."

"It is a honor to be recognized by Deloitte & Touche for outstanding growth and technical achievement," stated Stephen Martin, President and CEO. "Our software development team and dedicated sales force deserve the credit for our growth over the past five years as we strive to improve cardiac information systems."

The Fast 500 list is compiled from Deloitte's 15 regional North American Fast 50 lists. Entrants must be headquartered in North America and must be a "technology company", defined as a company that owns proprietary technology that contributes to a significant portion of the company's operating revenues; or devotes a significant proportion of revenues to the research and development of technology. Using other companies' technology in a unique way does not qualify. Canada has 10 percent of the Fast 500 (53 companies) of this year's winners.
