

NEWS RELEASE

Acquisition of Shares of CardioComm Solutions, Inc.

Toronto, Ontario, December 29, 2010 – Dr. Anatoly Langer, the Chairman of CardioComm Solutions, Inc. (TSX-V: EKG) (“CardioComm” or the “Company”), today announced that he acquired, through MD Primer Inc., a company under his control, 6,000,000 common shares of the Company and 6,000,000 common share purchase warrants of the Company (each warrant exercisable for two years for an additional share at a price of \$0.10), issued at a price of \$0.05 per unit (each unit comprised of one share and one warrant) pursuant to section 2.5(1) of National Instrument 45-106 – *Prospectus and Registration Exemptions*, under a non-brokered private placement. In the aggregate, the shares received by Dr. Langer represent approximately 8.8% of the issued and outstanding common shares of the Company.

Dr. Langer now owns or has control or direction over an aggregate of 42,099,581 common shares of the Company, representing approximately 61.7% of the Company’s issued and outstanding common shares. Dr. Langer has previously purchased shares from the Company for investment purposes, and in the future may further purchase, hold, vote, trade, dispose or otherwise deal in the common shares of the Company in such manner as he deems advisable to benefit from changes in market prices of such common shares, changes in the operations of the Company, its business strategy or prospects, or from a sale or merger of the Company.

“Anatoly Langer”
